Report

- Notes from LIRT Business Meeting, September 30, 2011
  - Eight people attended the meeting, which represented a significant increase in active members.
  - LIRT's recent survey (sent to the KLA listserv) showed that people had a clear interest in LIRT activities but were not necessarily interested in becoming active members of the round table. Based on these results, as well as the presence of new members at the business meeting, the group decided to continue LIRT with the primary goal of increasing the visibility of the round table and the work it does for KLA members in 2011-2012.
  - New officers were elected (see above).
- The LIRT officers created a Facebook page for the round table at [facebook.com/klalirt](https://www.facebook.com/klalirt). While the officers are still working out the details of how this page will be used, the intention is to have a forum to share news and other information regarding library instruction in Kentucky.
  - LIRT added a link to the new Facebook page to its page on the KLA site.
- Active members of LIRT are currently corresponding about the possibility of hosting a stand-alone workshop and LIRT business meeting in June 2012 at Transylvania University or another location.

**Action Item:** LIRT would like to request that its business meeting at the Fall KLA Conference in 2012 be held at 3:00 p.m. on Thursday. We believe the 8:00 a.m. time has contributed to low turn-out over the last several years, especially now that breakfast is no longer provided.

Respectfully submitted,
